

## **TABLEMAX ADDS SOUTH DAKOTA TO GROWING LIST OF LOCATIONS**

### ***Slot Route Owner AG Trucano To Place Five Machines In South Dakota***

LAS VEGAS (December 22, 2008) – TableMAX Gaming, Inc., a wholly owned subsidiary of TableMAX Corporation (TBLX.PK), a developer of electronic table games (ETG), announced today it has executed an agreement with AG Trucano to place five Progressive Black Jack® machines in Deadwood, South Dakota.

AG Trucano, a slot route operator with several locations, recently made the commitment to expand their line of available games by adding the popular TableMAX Progressive Blackjack platform to their lineup. AG has placed more than 1,800 machines in 12 locations throughout Deadwood, and it is on track to place five TableMAX Progressive Blackjack systems in the first quarter of 2009.

“Being able to present my customers with a product that will allow them the ability to offer blackjack to their players 24 hours a day with bets as nominal as \$1 was what attracted us to this ETG,” said AG Trucano CEO Mike Trucano. “The sleek design, game content and the progressive jackpot make this a great addition that our players will really enjoy.”

All TableMAX systems feature \$1 minimum bets as well as the proprietary optional 50 cent side-bet allowing players the opportunity to win a life-changing progressive jackpot

TableMAX CEO Stephen Crystal said, “We are excited that AG Trucano has made the move to diversify their game portfolio with the TableMAX system. Successful business relationships like this one with AG Trucano will continue to accelerate our business, drive product placements with new operators, and allow us to expand into new jurisdictions in the North American gaming market.”
