

## **TABLEMAX AND CREATIVE ELECTRONICS AND SOFTWARE SIGN MANUFACTURING AGREEMENT**

Las Vegas, Nevada – June 11, 2009 – TableMAX Gaming, Inc., a wholly owned subsidiary of TableMAX Corporation (TBLX.PK), a developer of electronic table games (ETG), announced today that it has signed a turnkey manufacturing agreement with Creative Electronics and Software (CES) to produce complete TableMAX® Systems™.

“We are pleased to partner with CES as demand for our product continues to increase,” said Stephen Crystal, Chief Executive Officer of TableMAX. “CES gives us the ability to provide significant quantities of TableMAX ETGs and will enable us to easily meet the growing demand from our customers each month.”

CES has scalable facilities with the capacity to take production from 10 to 50 TableMAX systems per month. CES is headquartered in South Elgin, Illinois, and maintains an assembly plant in Las Vegas.

“We are proud to be chosen by TableMAX to manufacture their innovative ETG systems,” said Robert Kowalski, President of CES. “This promises to be a great long-term partnership of CES’s manufacturing capabilities – which emphasizes high-quality electronic and mechanical product assembly and testing – and TableMAX’s top-shelf gaming products and growing reach.”

TableMAX’s unique electronic versions of the popular table games Progressive Blackjack®, Caribbean Stud® Poker, and Caribbean Draw® Poker provide players a fun and relaxed community gaming experience through realistic graphics and digitally mastered sound. The TableMAX platform offers the low table game minimum bet with bets starting at \$1 and features the company’s proprietary optional 50 cent side-bet allowing players the opportunity to win life-changing progressive jackpots.
