

TABLEMAX INKS DEAL FOR FOUR ADDITIONAL INSTALLATIONS IN OKLAHOMA

Creek Eufaula and Creek Okemah Commit To Installing TableMAX System

LAS VEGAS (December 12, 2008) – TableMAX Gaming, Inc., a wholly owned subsidiary of TableMAX Corporation (TBLX.PK), a developer of electronic table games, announced today that it has inked deals with two Muscogee (Creek) Nation casinos in Oklahoma to place exciting TableMAX electronic table games (ETG) on their casino floors.

Both Creek Okemah and Creek Eufaula are adding Progressive Blackjack® and Caribbean Stud® Poker in early 2009. All TableMAX systems feature \$1 minimum bets as well as the proprietary optional 50 cent side-bet allowing players the opportunity to win a life-changing progressive jackpot.

TableMAX CEO Stephen Crystal said, “We’re seeing more and more operators making the move towards electronic pits, that combined with the economical value of installing the TableMAX platform on a participation basis are just a couple of the driving the surge of interest. This is a very exciting time for the company. We are steaming ahead with contracts and installations, and from what we have been told, both operators and players are enjoying the game.”
