

## **PLAYER DEMAND DRIVES SECOND TABLEMAX ePit™ ORDER AT FANTASY SPRINGS RESORT CASINO**

LAS VEGAS (January 21, 2009) – TableMAX Gaming, Inc., a wholly owned subsidiary of TableMAX Corporation (TBLX.PK), a developer of electronic table games, is quickly expanding in southern California. In fact, less than two months after its initial installation, Fantasy Springs Resort Casino has ordered a second TableMAX ePit™, doubling the casino’s number of TableMAX® Systems™.

Fantasy Springs VP of Casino Ops Lou Crescenzo said, “TableMAX provides some of the most popular games available in our casino today. We have players standing three deep for the chance to play these games. The broad demographic appeal, community gaming experience, player interaction and ease of play immediately drew both slots and tables players to the new TableMAX Systems.”

Coincidentally, just days after going live with their first TableMAX ePit the progressive jackpot hit at Fantasy Springs for more than \$25,000.

Fantasy Springs’ new electronic pit, which consists of four Progressive Blackjack® games, opened in December 2008 with TableMAX’s first full 4-system carousel. Now the casino has executed an agreement to install four more TableMAX Systems. Caribbean Draw® Poker, which recently attained GLI certification, is tentatively scheduled for install on the casino floor by mid-February 2009.

“We are thrilled with the response our games have been getting at Fantasy Springs and with the confidence the casino team is showing in our products,” said TableMAX CEO Stephen Crystal. “The very enthusiastic player response is exactly what we have been seeing in virtually every casino where our games are installed.”

The completed installation will bring with it many firsts. Fantasy Springs is the first property to have eight TableMAX Systems (40 total seats), the first property to have multiple TableMAX Caribbean Draw games, and the first property to boast two TableMAX ePits.

TableMAX’s electronic versions of the popular table games Progressive Blackjack and Caribbean Stud® Poker, and Caribbean Draw Poker provide players a fun and relaxed community gaming experience through realistic graphics and digitally mastered sound. The TableMAX platform offers the lowest table game minimum bet in the Coachella Valley, with bets starting at \$1.
