

TABLEMAX SUCCESSFULLY INSTALLS SECOND ePit AT FANTASY SPRINGS RESORT CASINO

Progressive Blackjack, Caribbean Draw Poker Games Double TableMAX Presence in Casino

LAS VEGAS (March 12, 2009) – TableMAX Gaming, Inc., a wholly owned subsidiary of TableMAX Corporation (TBLX.PK), a developer of electronic table games, continues its rapid-fire expansion in the southern California gaming marketplace. Now the company has successfully installed a second ePit™ at Fantasy Springs Resort Casino in Indio, Calif.

Fantasy Springs placed the order for additional TableMAX systems less than two months after the casino installed its first TableMAX ePit. The casino's first ePit consists of four Progressive Blackjack® games. Now with the second successful installation, the casino boasts a total of eight TableMAX® Systems™. The newest games to go live are two Progressive Blackjack games and two Caribbean Draw® Poker games.

Fantasy Springs VP of Casino Ops Lou Crescenzo said, "Ordering a second TableMAX ePit was simply a matter of responding to customer demand. Ever since the TableMAX games first went live, our players were lining up – literally three deep at a time – to play. I've never seen such a response to new games."

TableMAX CEO Stephen Crystal said, "We have had a string of accomplishments, both in terms of sales and installations, since the first of the year. The overwhelming player response Fantasy Springs is seeing is on par with what other operators have told us they have been experiencing, and we are very pleased that our casino partners are having such success."

TableMAX's electronic versions of the popular table games Progressive Blackjack, Caribbean Stud® Poker, and Caribbean Draw Poker provide players a fun and relaxed community gaming experience through realistic graphics and digitally mastered sound. The TableMAX platform offers the lowest table game minimum bet in the Coachella Valley, with bets starting at \$1.
