

## **TABLEMAX SIGNS AGREEMENT WITH KONOCTI VISTA TO PLACE CARIBBEAN® DRAW POKER**

### *Placement agreement expands TableMAX presence in Northern California*

LAS VEGAS (February 11, 2009) – TableMAX Gaming, Inc., a wholly owned subsidiary of TableMAX Corporation (TBLX.PK), a developer of electronic table games, has executed a placement agreement for its Caribbean Draw® Poker with Konocti Vista Casino Resort.

Konocti Vista will be the first Casino in Northern California to have Caribbean Draw Poker.

TableMAX CEO Stephen Crystal said, “As the first TableMAX Caribbean Draw placement in the area, the Konocti Vista management decision will provide their players with a unique electronic and community gaming experience. Caribbean Draw is the latest addition to our exciting gaming library and we are very pleased with the uptake.”

Konocti Vista Slots Director Andrew Kalin said, “We are working with TableMAX to bring dynamic games to our players. Caribbean Draw poker allows players to discard and draw up to two new cards. Combined with life changing jackpots utilizing patented progressive systems, TableMAX provides an exciting dynamic to compliment our strong gaming offer.”

“We chose TableMAX because the flexible betting allows players to wager from \$1 to \$500.00. The electronic format means the table is almost always open and the friendly gaming environment caters to both new and experienced players,” said Kalin.

The agreement reflects the steadily growing popularity of the TableMAX games among players and has led the company to a consistent string of success in both the northern and southern California gaming markets. The most recent being contracts signed earlier this month with Red Fox casinos and Viejas Casino & Outlet Center in Southern California.

TableMAX’s unique electronic versions of the popular table games Progressive Blackjack®, Caribbean Stud® Poker, and Caribbean Draw Poker provide players a fun and relaxed community gaming experience through realistic graphics and digitally mastered sound. The TableMAX platform offers the lowest table game minimum bet in the Northern California area, with bets starting at \$1 and features an optional 50 cent side-bet allowing players the opportunity to win life-changing progressive jackpots.
