LAS VEGAS (March 25, 2009) – TableMAX Gaming, Inc., a wholly owned subsidiary of TableMAX Corporation (TBLX.PK), a developer of electronic table games, has installed two TableMAX Systems at Creek Nation Casino Okemah in Okemah, Okla.

The Creek Nation Casino Okemah’s newly renovated and expanded casino now features the highly popular TableMAX Progressive Blackjack® System and a new Caribbean Stud® Poker System. TableMAX has placed its Systems in multiple locations at a rapid pace throughout California and Oklahoma. The two systems going live with Creek Nation, brings the total number of TableMAX positions to 100.

TableMAX CEO Stephen Crystal said, “We are very pleased with the quick progress we are making in Oklahoma and in other jurisdictions across the country, such as California. What we are most happy with is the positive response operators are getting from their players. Operators tell us their players love the games, and we believe that is the reason for the rapid expansion we are experiencing.”

TableMAX’s electronic versions of the popular table games Progressive Blackjack® and Caribbean Stud® Poker, and Caribbean Draw® Poker provide players a fun and relaxed community gaming experience through realistic graphics and digitally mastered sound.
