

TABLEMAX CONTINUES TO EXPAND IN OKLAHOMA MARKET

LAS VEGAS (January 13, 2009) – TableMAX Gaming, Inc., a wholly owned subsidiary of TableMAX Corporation (TBLX.PK), a developer of electronic table games, continues to expand its impressive presence in Oklahoma. The company recently installed its Progressive Blackjack® game at the new Bordertown Outpost Casino, located 12 miles east of Miami, Okla. Bordertown Outpost Casino is the latest property opened by the Eastern Shawnee Tribe of Oklahoma, and this installation brings Bordertown’s total number of TableMAX systems to three.

The TableMAX Progressive Blackjack game is the first table game in the casino, which has 260 slot machines, but no live table games. All TableMAX® Systems™ feature \$1 minimum bets as well as an optional 50-cent side bet. The side bet is a proprietary TableMAX feature that gives players chance to win a life-changing progressive jackpot.

Bordertown Outpost Slot Director Shawn Daugherty said, “We have been extremely pleased with the results we are getting from Progressive Blackjack at our other property, and more importantly, our players love it. So when we were designing the floor for the new Outpost, we specifically created a space for another TableMAX System.”

TableMAX CEO Stephen Crystal said, “Our growth is driven by operators who are searching for game diversity to give their players more excitement. Combine that with the economical value of installing the TableMAX platform on a participation basis, and you’ve got a great opportunity to enhance the bottom line and drive profitability in this challenging market.”
