

TABLEMAX TO PLACE ePIT™ AT VIEJAS® CASINO

Demand For TableMAX ePits™ Continues To Rise In California With Recent Order Of 4 TableMAX® Systems™ From Viejas Casino

LAS VEGAS (January 30, 2009) – TableMAX Gaming, Inc., a wholly owned subsidiary of TableMAX Corporation (TBLX.PK), a developer of electronic table games, is bringing its exciting, proprietary electronic table games to “San Diego’s Favorite Casino,” Viejas Casino & Outlet Center. Located just minutes from downtown San Diego, Viejas Casino has ordered three Progressive Blackjack® tables and one Caribbean Stud® Poker table from TableMAX.

Viejas is the first casino in the San Diego market to order the popular TableMAX systems. Installation of the property’s first TableMAX ePit™ is slated for the last week in February. Popularity of the exciting TableMAX system is proven by a growing presence and demand throughout the vibrant California gaming market, the most recent being a second ePit order from Fantasy Springs Resort Casino in Indio, which follows successful placements at Desert Rose Casino (Alturas, Calif.) and Red Earth Casino (Salton Sea Beach, Calif.).

TableMAX CEO Stephen Crystal said, “Across the country, and up and down California, we are seeing our product getting a very warm reception from casino players. Operators are reporting back that their players enjoy the TableMAX games and format, and we are very excited about this partnership with Viejas and adding the property to the growing list of satisfied TableMAX customers.”

TableMAX’s unique electronic versions of the popular table games Progressive Blackjack, Caribbean Stud® Poker, and Caribbean Draw® Poker provide players a fun and relaxed community gaming experience through realistic graphics and digitally mastered sound. The TableMAX platform offers the lowest table game minimum bet in the San Diego area, with bets starting at \$1 and features an optional 50 cent side-bet allowing players the opportunity to win life-changing progressive jackpots.
