LAS VEGAS (May 14, 2009) – TableMAX Gaming, Inc., a wholly owned subsidiary of TableMAX Corporation (TBLX.PK), a developer of electronic table games, has successfully installed the VisuaLimits product on several existing installed TableMAX Systems in southern California.

“VisuaLimits is looking forward to working with TableMAX and allowing casino-goers the opportunity to benefit from our unique products. VisuaLimits Table Signs possess a unique ability to attract patrons to the gaming systems. VisuaLimits will benefit the system by enhancing the look of the TableMAX product, informing patrons of the ease of use of the games, advertising TableMAX’s progressive jackpots, and displaying the betting limits and game type,” said VisuaLimits VP/COO, Ryan McClellan.

Through this integration VisuaLimits and TableMAX have strengthened their existing relationship and continue adapting and expanding their products according to their customer’s needs.

Stephen Crystal, TableMAX CEO said, “We see this arrangement as a key enabler to support the expansion of both companies.”
