

TABLEMAX SIGNS STRATEGIC AGREEMENTS WITH VISUALIMITS AND HOPBET

LAS VEGAS (January 15, 2009) – TableMAX Gaming, Inc., a wholly owned subsidiary of TableMAX Corporation (TBLX.PK), a developer of electronic table games, has entered into strategic agreements with VisuaLimits, LLC and Hopbet Inc.

“We are pleased to announce the agreement with VisuaLimits,” said TableMAX CEO, Stephen Crystal. “VisuaLimits provides casino operators the electronic real estate to promote property services and amenities through dynamic digital media and static content, all while enhancing the table game experience for players. The VisuaLimits product also provides the operator substantial opportunity to co-brand with major companies outside the gaming industry.”

Perry Stasi, CEO and President of VisuaLimits and Hopbet said, “TableMAX’s position in the electronic table game market and their affiliation with known agencies allows us the opportunity to enhance our existing placements and future offerings within casinos. The TableMAX team has the scope and drive to make this a successful relationship.”

Under a similar arrangement with Hopbet, Inc., TableMAX has also entered into a content licensing agreement for the “Fire Bet” side bet, which allows the TableMAX platform to extend its side-bet product range to include the most wide distributed and successful Craps side wager currently in use.

“The depth of industry knowledge and experience in the table games space that Perry and his team bring to this relationship is a strategic compliment to our growth strategy,” said Crystal. “We see this arrangement as a key enabler to support the expansion of both companies.”
