

TABLEMAX AND GALAXY GAMING SIGN EXCLUSIVE GAME CONTENT LETTER OF INTENT

Agreement Brings Galaxy's Proprietary Content to TableMAX's Proprietary Platform

LAS VEGAS (May 9, 2008) – TableMAX Holdings LLC's exciting electronic game platform has changed the gaming industry. Galaxy Gaming's fun game content has changed the way players play. Now, the two have come together in a move that will bring added game content and even more excitement to the gaming floor.

TableMAX and Galaxy Gaming have signed an exclusive letter of intent that will bring Galaxy's library of proprietary game content to TableMAX's proprietary electronic table game technology. The result is a cache of content designed for the casino players of today and tomorrow.

Included in the letter is Galaxy's Lucky Ladies™ side bet, which is widely recognized as the most successful enhancement ever to traditional blackjack. Also included is Galaxy's Texas Shootout™, which brings the fun of the poker room's Texas Hold'Em to the pit.

TableMAX CEO Stephen Crystal said, "TableMAX continues to lead the electronic table games market by adding world class proprietary content to our exclusive platform. By combining Galaxy's well-known brands with our exclusive rights to operate a wide area progressive, we are delivering exciting electronic table games content to drive customer play with a large progressive jackpot. No other company can make such a claim."

Galaxy Gaming President Robert Saucier said, "We believe this is an exciting partnership for both parties. TableMAX has a unique operating system, and combined with our innovative games, makes this a real win for players, and by extension for operators."

TableMAX Holdings LLC is a leading developer of electronic table games and designs, engineers and distributes patented electronic table games worldwide. TableMAX owns global rights to proven and popular table game content, including Progressive Blackjack™, Caribbean Stud® poker, Caribbean Draw® poker, Texas Hold'em Bonus Poker and Bonus Blackjack.
